**Read the following text and answer the questions:**

**Lee el siguiente texto y contesta las preguntas:**

The right to education is recognized as a human right in international conventions which recognize a right to free, compulsory primary education for everybody and an obligation to develop secondary education accessible to all. Additionally, this right includes a responsibility to provide basic education for individuals who have not completed primary education. Also, it encompasses the obligations of the students to avoid discrimination at all levels of the educational system, to set minimum standards of education and to improve the quality of education. Taken and adapted from:
